Dear Commissioners:

**APPROVE THE PURCHASE OF CISCO EQUIPMENT AND MAINTENANCE
SERVICE AGREEMENT WITH INSIGHT PUBLIC SECTOR, INC. (ALL DISTRICTS)**
(3 Vote)

CIO RECOMMENDATION: (X) APPROVE
() APPROVE WITH MODIFICATION () DISAPPROVE

SUBJECT:

The Commission's current network infrastructure is obsolete and expensive to maintain, therefore, it is necessary to purchase new switching and router equipment. The equipment and service agreement will utilize funds included in the Commission's approved Fiscal Year 2007-2008 budget.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the purchase of Cisco equipment for all Community Development Commission offices and the agreement are not subject to the California Environmental Quality Act (CEQA), because the proposed activities will not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Executive Director of the Commission to execute an Equipment Purchase Agreement (Agreement) with Insight

Public Sector, Inc. for Cisco equipment and maintenance, and to use for this purpose \$1,087,850 in Investment Technology Funds included in the Commission's approved Fiscal Year 2007-2008 budget.

3. Authorize the Executive Director to execute amendments to increase the Agreement by up to \$108,785 for unforeseen costs using the same source of funds described above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to purchase Cisco equipment to replace and update the Commission's existing equipment which is no longer capable of providing efficient access to the network.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The Agreement will be funded with up to \$1,196,635 in Investment Technology Funds included in the Commission's approved Fiscal Year 2007-2008 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Commission's current network infrastructure has been in place for many years and has had several patchwork repairs to increase its efficiency. A six year plan to upgrade the Commission's infrastructure was created in 2006.

On December 5, 2006 and on May 1, 2007, during the first year of the plan, your Board approved the purchase of new switching equipment, which was needed to upgrade the Commission's server and Local Area Network (LAN) to support the Dell server equipment purchase, which was also approved on May 1, 2007. Those equipment purchases addressed transitional issues necessary for the main designs to be implemented, and were a temporary bridge to improve business projects, such as video conferencing, document scanning environment, and virtual server environment.

As the Commission continues with the second year of the project, the Wide Area Network (WAN) requires the purchase of this network equipment to replace the entire router and switch technology. This purchase will allow the consolidation of our technology to a standardized platform and automate administrative oversight, which in turn will reduce the need for additional staff and improve overall auditable security.

This core switch technology at every site, coupled with application appliances included in this Cisco purchase, address communication and bandwidth traffic for all areas of Commission business including but not limited to the housing systems, financial systems, HR systems, Blackberry and email.

In addition, the purchase of this Cisco equipment will address needs at the Chavez building: The Chavez building needs an increase in bandwidth to address the AutoCAD repository for drawings and plans, the increase in customer activity and business growth.

At this time, the network infrastructure is overburdened and can no longer be expanded, limiting the growth potential of the network and causing congestion of critical applications. The existing equipment is also at or beyond the end of its intended useful life and more costly to maintain. Therefore, it is now necessary to upgrade the equipment to continue to meet the needs of the Commission's business. The new equipment will extend the life of network assets.

The requested equipment purchase is in alignment with the County's Strategic Goals 2, 3, and 4. The Cisco equipment will be installed and supported by the Commission's Infrastructure Team.

Under the terms of the Agreement, the Commission will receive technical support from the Cisco Technical Assistance Center for hardware configuration, software updates and replacement parts. In addition, Cisco SMARTnet and SMARTnet Onsite Solutions will provide support via telephone or e-mail 24 hours a day and seven days a week for priority issues.

ENVIRONMENTAL DOCUMENTATION:

The proposed purchase and installation of Cisco equipment is exempt from the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (b)(3), because it involves activities that will not have a physical impact or result in any physical changes to the environment. The activities are also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On January 31, 2008, an Invitation for Bids (IFB) was initiated to identify a vendor recognized as a Silver Certified Partner or better in the Cisco Partner Locator to provide the indicated Cisco equipment and a maintenance service agreement for the Commission.

Notice of the IFB was provided to 125 Cisco vendors recognized as a Silver Certified Partner or better in the Cisco Partner Locator, and announcements appeared in seven local newspapers and on the County's ISD WebVen site. A copy of the IFB was posted on the Commission's website.

On February 14, 2008, seven bids were received. An evaluation committee consisting of Commission staff reviewed the bids based on price, recognition as a Silver Certified Partner or better in the Cisco Partner Locator, and the acceptance of the standard Commission IT Agreement. Insight Public Sector, Inc. submitted the lowest bid that adhered to the minimum requirements of the IFB and is, therefore, being recommended for award of the Agreement.

The Summary of Outreach Activities is provided in Attachment A.

IMPACT ON CURRENT SERVICES:

The Cisco equipment is necessary to replace all remote field routers and obsolete equipment to continue to provide for and strengthen the growth of the Commission's infrastructure. Upgrading routers and switches will continue to ensure our ability to maintain security on our network.

Respectfully submitted,

Project/Contract Description:

The requested purchase of Cisco network equipment is a component of the Community Development Commission's (CDC) six-year technology refresh plan. This \$1,196,635 purchase will allow the CDC to replace network router and switch equipment that is nearing technical obsolescence. This purchase will strengthen the CDC's security practices, improve network communication efficiencies, and ensure a stable and robust IT infrastructure.

Background:

The Commission is in the second year of a six-year technology refresh plan. Upgrades completed in the first phase of the plan, in Fiscal Year 2006-2007, included a smaller-scale purchase of network switch equipment to stabilize portions of their local area network (LAN) environment. This next phase of the plan will refresh the Commission's wide area network (WAN) communication equipment.

Project Justification/Benefits:

Implementation of the new Cisco equipment improves overall security and allows the Commission to standardize their infrastructure platform and automate administrative oversight, which should reduce the staff levels required to support the WAN. The purchase of this networking equipment will also improve performance of existing software applications and reduce potential network downtime caused by obsolete hardware.

This equipment refresh will address communication and bandwidth concerns for all areas of the Commission's business, including the housing systems, financial systems, HR systems, Blackberry and e-mail and other technology services. The Commission has indicated that this equipment purchase will also support the increased bandwidth requirements at the Commission's Chavez building. That facility supports the Auto Cad repository for drawings and plans, and is experiencing an increase in customer activity and overall business growth.

Project Metrics:

Project metrics will include final installation of the Cisco equipment and implementation of the automated monitoring tools.

Impact On Service Delivery Or Department Operations, If Proposal Is Not Approved:

If the requested purchase is not approved, the short-term impact is that the Commission's program staff may continue to experience operational and service delivery inefficiencies. A longer-term impact is that the Commission would continue to operate a non-standardized and aging infrastructure, which would require an increasing level of support and maintenance, and result in increased security risks.

Alternatives Considered:

Cisco equipment is both the County's and the Commission's standard platform for networking equipment, and therefore other alternatives were not considered.

Project Risks:

The only risk associated with this purchase is the vendor's ability to successfully complete installation of the requested hardware, and to continue providing the ongoing maintenance services.

Risk Mitigation Measures:

The vendor selected by the Commission, via a competitive bid process, is certified by Cisco as a "Silver Partner", making them well qualified to perform the required services, thus minimizing the risk.

Financial Analysis:

The purchase price for the networking upgrade is \$1,196,635, which includes the Commission's request for a contingency allowance of 10% (\$108,785) for unforeseen costs. This price has been offset by a credit to the Commission of \$82,000 for the trade-in value for existing equipment. The funds for this purchase will originate from the Commission's approved Fiscal Year 2007-2008 budget.

Selection of the vendor was based on a competitive bid process. On January 31, 2008, the Commission initiated an Invitation for Bids (IFB) to identify a vendor recognized as a Silver Certified Partner that can provide the necessary Cisco equipment and maintenance services for the Commission. Notice of the IFB was provided to 125 Cisco qualified vendors and announcements appeared in seven local newspapers, and on the County's ISD WebVen site. A copy of the IFB was also posted on the Commission's website.

On February 14, 2008, seven bids were received. As detailed in the Board Letter, an evaluation committee selected Insight Public Sector, Inc., as the vendor who submitted the lowest bid and adhered to the minimum requirements of the IFB.

CIO Concerns:

None.

The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated fairly during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the non-discrimination clause.

The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

REQUIRED CONTRACT FORMS

**COMMUNITY DEVELOPMENT COMMISSION
CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXEMPTION AND CERTIFICATION FORM**

The Community Development Commission's (Commission) solicitation for this contract/purchase order (Request for Proposal or Invitation for Bid) is subject to the Commission's Contractor Employee Jury Service Program (Program). All bidders or proposers, whether a contractor or subcontractor, must complete this form to either 1) request an exemption from the Program requirements or 2) certify compliance. Upon review of the submitted form, the Commission will determine, in its sole discretion, whether the bidder or proposer is exempted from the Program.

Company Name: <i>Insight Public Sector, Inc.</i>			
Company Address: <i>6820 South Harl Avenue</i>			
City: <i>Tempe</i>	State: <i>Arizona</i>	Zip Code: <i>85283</i>	
Telephone Number: <i>800-467-4448 x 5820</i>			
Solicitation For (Type of Goods or Services): <i>Cisco Equipment</i>			

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program Is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more Commission contracts or subcontracts (this exemption is not available if the contract/purchase order itself exceeds \$50,000). I understand that the exemption will be lost and I must comply with the Program if my revenues from the Commission will exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, is \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

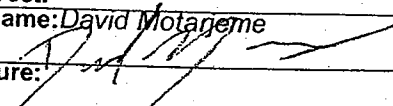

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II - Certification of Compliance

- ☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

REQUIRED CONTRACT NOTICES

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

Notice 1015

(Rev. December 2005)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2005 are less than \$37,263 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2006.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2005 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2005 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2005 and owes no tax but is eligible for a credit of \$799, he or she must file a 2005 tax return to get the \$799 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2006 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
